

What Do I Do When I Get A "Save As" Dialog Prompt On Coupons?

Last Modified on 11/02/2020 11:12 am CST

If your getting a "Save As" dialog prompt when you try to load a PDF document in chrome you can overcome this by installing this free extension in your chrome browser.

Just click here and choose install.

<https://chrome.google.com/webstore/detail/open-in-pdf-viewer/ehndikigeekodlnbohjndjjiiikphickb?hl=en>

The latest update of Adobe Acrobat no longer loads "inline" therefore if you want this behavior the best way to achieve it is to install this plugin.
