

Employee Introduction

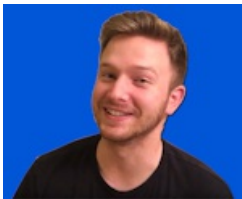

Last Modified on 10/28/2020 2:47 pm CDT

Every class will begin with a brief written summary of what is going to be covered, followed by a video below the written summary going into detail about the topic. It will look something like this

WHO SHOULD WATCH THIS TRAINING VIDEO - ALL EMPLOYEES

Released 9/26/2018

Author

Zack Toler

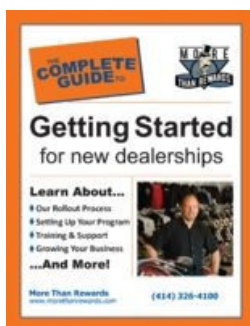

In the sections following this one you are going to be trained on the basics of the Rewards Program. These include: the Employee Directory training, the Rider Rewards training, and the Email Marketing training. These training's are meant to provide you with a basic understanding of the program when you sign up initially, as well as to provide a reference point for you should you have any questions after the training's have been completed.

Brief Breakdown of The Training's:

- [New Employee Introduction](#)
